

THE COMMUNITY LIBRARY

This is a place

where we connect

through stories

and to one another.

ANNUAL REPORT • 1 JULY 2019 - 30 JUNE 2020

Dear Friends,

The new doors slid gracefully open at the Spruce Street entrance in July of 2019, and we stepped into a new era of The Community Library. In the renovated foyer, patrons were greeted with a luminous exhibit of Chihuly glass cylinders depicting scenes from the great novel *Ulysses*. *Oooohs* and *aaaahs* filled the space, and the Library reverberated with a sense of wonder.

In the days, weeks, and months that followed, more footsteps passed through those doors than ever, more wheelchairs rolled more easily up the new accessible ramp, more people (and dogs!) lingered on the new benches to talk to each other in the shade of the new front porch. It felt like community, with exuberance.

Nearly a year later, at the end of May of 2020, those same doors slid gracefully open again after the building had been closed for ten weeks for community-wide COVID-19 mitigations, and we stepped into another era of the Library. Outside on the front porch, books sat on carts to be picked up through a curbside service. In the foyer, librarians and patrons greeted each other with joyful smiles behind face masks. *Thank yous* filled the space, and the Library reverberated with gratitude.

In the days, weeks, and months that have followed, the Library has continued to welcome patrons to browse the stacks and use the computers, to seek stories as current as the day’s breaking news and as enduring as the works of Sappho and Homer. We all have kept wearing masks and maintained six-feet distance. It feels like community, with urgency.

Even when the building was closed, the Library provided access to librarians by phone, to digital books and movies, and to the internet through outdoor wi-fi. The Library was one of the first to re-open its building, and we could do so because the renovation had improved the ventilation system, installed tools that could manage new material-handling protocols, and provided ample space for physical distancing – and because we trust our community to comply with health guidelines.

In the span of this annual report, our doors have opened to astonishing developments, and we all have had to open our minds to new ways of navigating the world. It is a fundamental promise of the Library that we can do so, that, through literacy and learning and listening to each other, each of us can keep opening our minds – for enjoyment, for solace, and for the power to reinvent the world.

Thank you for your help in keeping the Library’s doors open to all.

Sincerely,

Jenny

Jenny Emery Davidson, Ph.D.
Executive Director

Jenny helps out during the 2019 Gold Mine Ski Opening along with Diana Pringle and Kay Mara.

Director Mary Tyson discusses a few of the thousands of unique Hemingway artifacts housed in the Library’s Jeanne Rodger Lane Center for Regional History.

Marsha Takahashi Edwards shares her family history as part of the “Righting a Wrong” exhibit and the Winter Read program that focused on the World War II incarceration of Japanese Americans in southern Idaho.

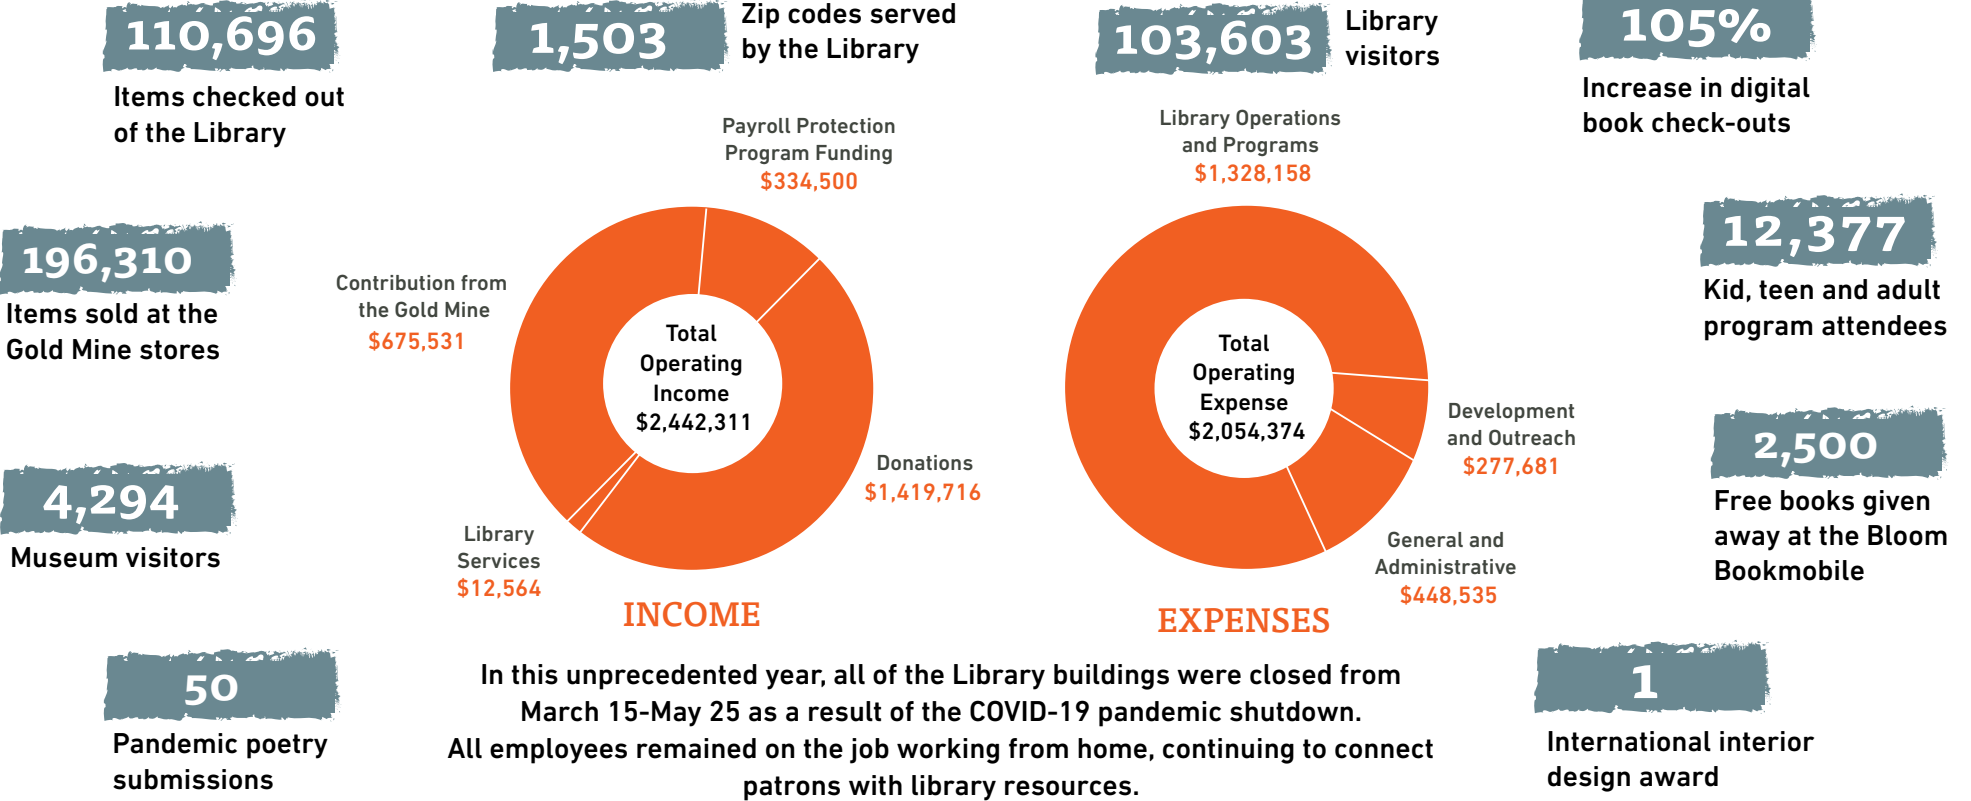

The Gold Mine Thrift and Consign Stores support the core work of the Library while re-using goods and contributing to local fun. Last year, 166,110 Gold Mine shoppers got great deals while supporting literacy and lifelong learning!

The Bloom Bookmobile, in partnership with The Hunger Coalition, provides free books and food to children and adults from Carey to Ketchum each summer.

“A great library is freedom. And that freedom must not be compromised. It must be available to all who need it, and that’s everyone, when they need it, and that’s always.”

From The Wave in the Mind: Talks and Essays on the Writer, the Reader and the Imagination by Ursula K. Le Guin

THE COMMUNITY LIBRARY is a privately-funded, privately-governed, publicly-minded cultural institution. Unlike most public libraries, it receives no dedicated tax dollars. It depends on individual donations and revenue from the Gold Mine Stores.
