

THE COMMUNITY LIBRARY

Annual Report
July 1, 2020 - June 30, 2021

“The **library** is an arena of
possibility, **opening** both
a window into the soul and a
door onto the **world.**”

~ Rita Dove,
United States Poet Laureate (1993-1995)

Dear Friends,

It has been a year to open windows and doors, to widen our minds and expand our reach. At The Community Library, we did just that:

- **We rolled books outside each day** for curbside pickup on the Library's porch.
- **Tots circled on the lawn** for Story Time, and we mailed literacy kits to preschoolers at home.
- **Students did online classes** under the trees with the Library's outdoor Wi-Fi.
- **Teen interns gave books to children across the county** through the Bloom bookmobile.
- **Thousands of people connected online (for free!)** with the Library to write poetry, talk about *Ulysses*, learn about China, and pose questions to Ken Burns.
- **We welcomed guests from around the world**, virtually, through the doors of Hemingway's Idaho home in a film with Idaho Public Television.

All year, day after day, we opened the Library's doors – physical and virtual – and people walked in and tuned in to greet old friends and new ideas, and to fearlessly make meaning in the world.

Your support grows this arena of possibilities, and it is big and bold. **Thank you!**

audacious in her questioning. It provides her a place to **dream.**

Thank You!

Your support helped keep our community reading, learning, connecting, and dreaming this past year.

The Community Library

is a privately-funded, privately-governed, publicly-minded cultural institution. Unlike most public libraries, it receives no dedicated tax dollars. It depends on individual donations and revenue from the Gold Mine Stores.
