

ANNUAL REPORT

THE COMMUNITY
LIBRARY

July 1, 2021 - June 30, 2022

Collaboration

I loved being a Bloom intern! It was so incredible and humbling to watch kids' faces light up every single day, just because

they were so happy and grateful to be able to check out books.

~Zach Quesnel, Wood River High School sophomore and summer intern with the Bloom Truck bookmobile

Community

The Library has been a godsend to me since moving to Sun Valley in 1994. The incredible graciousness

of the staff, the innovative community programs, and the wonderfully curated selection of materials available to library patrons is a remarkable gift.

Daring Innovation

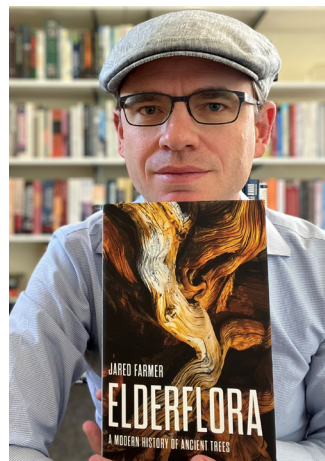

The Community Library
brings **information, ideas, and individuals** together to enhance the
cultural life of the **community**.

bring
means
bring

Not sit back, or wait.

It is within all of us to inspire,
motivate, facilitate, and challenge
one another to new thinking.

Passionately.

If it weren't for
The Community
Library, I wouldn't
be holding my book
in my hands. After
a difficult stretch of
non-writing related
to COVID, I wrote
and wrote for two

weeks in creative silence—save the music
of the Big Wood River—and submitted
the complete manuscript to my editor in
Manhattan from the Hemingway House.

~ Jared Farmer, historian and August 2021 writer-
in-residence at the Hemingway House

Knowledge

This literacy summit has been so impactful! I have learned so many new

ways of teaching my students how to read. This has been such a fulfilling experience, not only as a teacher, but as a learner. ¡Gracias!

Literacy

I loved this book since the beginning of the first page. I was so into the book the first night I brought it home from The Community Library that I lost track of time and stayed up

reading until 10:26 p.m.

Regional History

From the day I got here I was finding amazing stuff on women influencers from the 1930s; I was so excited. The collection here is extraordinary.

~Skye Cranney, Ph.D. Candidate and University Fellow, Southern Methodist University
