

PENDL'S HOLIDAY CLASSICS

NUSSKNACKERS

Decadent and divine, the Nussknacker is one of Pendl's signature treats. A crown of roasted hazelnuts & almonds sits atop hazelnut praline creme and a flaky, butter cookie crust. Dipped generously in premium dark chocolate, few desserts at your holiday table will intrigue and delight like the triple layer Nussknacker. \$7

FLORENTINERS

Thin layers of almonds, dried cranberries, and handmade glace oranges are roasted together for an irresistible sweet yet tart flavor combination. Finished with a thin layer of premium dark chocolate, this Florentiner may be the best you've ever tasted. \$7/ 2per pkg

NUSSBAUM (ZIGEUNERS)

A walnut and cinnamon macaroon stars in this original Austrian after ski treat. Fresh raspberry preserves create a sweet connection between a flaky cookie crust and the soft, cinnamon spiced walnut macaroon. If you like saving the best for last, savor the dark chocolate dipped end for your last fireside bites of a Nussbaum. \$7/2 per pkg

PENDL'S STAMMTISCH

Stammtisch is the German word for both a group of friends who meet often and the Regulars' Table around which they gather. At home, at your favorite cafe, or apres anything, this little group will be easily enjoyed with friends & family.

1 Nussknacker, 2 Florentiners, & 2 Nussbaum \$20
